Dear Parents/Guardians

At NECCS we are excited about promoting a **Healthy School Environment**. In doing so, Snacks will be provided by the school. As per state guidelines we must refrain from allowing outside snacks to be brought into the school (**Examples: chips, candy, soda, juices that are not 100% fruit juice and things of that sort**). **We are not allowed to give your child an outside snack during school hours.**

Outside snacks that are brought to school will be **confiscated** from your child and returned to them at the end of the school day. We thank you for helping us in promoting a **Healthy, Learning Environment** for your children.

Snacks will be provided through the **Fresh Fruits and Vegetable Program**. Approved snacks will be given to your child by the Food Service Department.

To help keep a Healthier School Environment, Monetary Donations are greatly appreciated. Donations can be given to Ms. Peck for any amount. We will go to Costco or BJ's to purchase **Bulk** items. If you have any questions or concerns, please contact **Ms. Peck our Food Service Coordinator at (973)732-3848.**

Thank You,

A.Peck  
Food Service Coordinator
